Hi all

I started routing the NT CD yesterday while waiting for the Gilt Edge to route. The NT CD must be signed this week to file with the court because our tolling expires 4/15.

Andrea, I did not realize Suzanne and KC concur on the settlements since you and Kelcey are the delegated signatories, but I will continue the routing to them.

Please let me know as soon as you have concurred on the CDs and I will walk them to the next stop to be sure this gets completed this week.

Thank you in advance

Are both Gilt Edge and Nelson routing together? I concur on both of these. They should be submitted together to KC and Suzanne. Thanks.
